Target Audience

This symposium is directed primarily to hematologists/oncologists, radiation oncologists, researchers, pharmacists, registered nurses, physician assistants, nurse practitioners and fellows in training interested in new development in hematological malignancies such as Hodgkins lymphoma, B-cell lymphoma, multiple myeloma and leukemia. No specific skill or knowledge other than a basic training in hematology/oncology is required for successful participation in this activity.

Statement of Need/Program Overview

This symposium is intended to improve care of patients with Hodgkins lymphoma, B-cell lymphoma, multiple myeloma and leukemia by accelerating adoption of new guidelines and evidence-based practice change. The format will include didactic lectures from known opinion leaders, question and answer sessions, and ample opportunity for participant interaction with faculty.

Registration Fee

Registration fee includes buffet breakfast, lunch and syllabus book.
