Jointly sponsored by The A. Webb Roberts Center for CME of Baylor Health Care System, CancerNet and American Health Resource, Inc

Educational Grants

Onyx Pharmaceuticals
Millennium Pharmaceuticals
Seattle Genetics
Genentech
Amgen

For online registration and more information visit: www.cancernetus.com

Target Audience

This symposium is directed primarily to hematologists/oncologists, radiation oncologists, researchers, pharmacists, registered nurses, physician assistants, nurse practitioners and fellows in training interested in new development in hematological malignancies. No specific skill or knowledge other than a basic training in hematology/oncology is required for successful participation in this activity.

Statement of Need/Program Overview

This symposium is intended to improve care of patients with hematological malignancies by accelerating adoption of new guidelines and evidence-based practice change. The format will include didactic lectures from known opinion leaders, question and answer sessions, and ample opportunity for participant interaction with faculty.
